Notes:

- Points will be awarded to the top-10 players eligible to be selected in each of the above in the manner prescribed above.
- Points will still be awarded to the top-10 eligible players irrespective of whether they make the cut.
- 60% of the total applicable points for a player's finishing position will be awarded for finishes in Senior events. For example, if a player is the 3rd highest ranked U18 finisher at the West of Ireland they will receive 60% of 65 points so will receive 39 points.
- Where two or more players tie for a position as a ranked Boy in any listed event, the points for the relevant positions will be added together and divided by the number of players with the relevant players each receiving the same number of points. Points will be rounded up or down as applicable.
- If two or more players tie for automatic selection on the final Order of Merit, the tie shall be decided in the following sequence:
If one player is:
 - a) the player gaining the most points at the Peter McEvoy Trophy

- b) the player gaining the most points at the Munster U18 Boys Amateur Open
- c) the player gaining the most points at the Fairhaven Trophy

Injury/illness

Any player that earns automatic selection may also have to prove to the Boys Selection Committee their fitness to compete, should there be a doubt over injury or illness. The process for a player proving their fitness to compete will be determined by the Boys Selection Committee.
