

Men's Senior Team Selection Criteria

Selection for Events:

Player suitability for Team or Individual competition and a player's match play and stroke play record will be taken into account for selection for the below events.

Event	Automatic	Selection Committee Pick
World Amateur Team Championship	Top Irish player on WAGR	2
European Amateur Team Championship	Top Irish player on WAGR	5
Home Internationals	Top 4 Irish players on WAGR & Top 3 players on Bridgestone Order of Merit	4

*Should a player be unavailable or in the case of the Home Internationals, meet more than one of the automatic selection criteria, the selection will not be transferrable and will instead become a Selection Committee Pick. For example, if one of the top 4 Irish players on WAGR is in the top-3 on the Bridgestone Order of Merit at the time of selection, the automatic pick will not move down to the player placed fourth on the Bridgestone Order of Merit and will instead revert to the Selection Committee.
